

2020 Secret Scrapper Questionnaire

For Cropping Café OC Holiday Inn, 66th St Weekend

Secret Scrapper is a fun game to play during our scrapping weekend. I strongly encourage everyone to participate.

1. (First) Simply fill out the form with answers about yourself. The more information you give the easier it is to shop for you and more likely you can use the gifts given to you. Keep your form a secret and send it back to me completed. I will mix up all questionnaires and send you a Secret Scrapper Name (in early November).
2. (Second) Shop for the scrapper's name you received. Get about 4-5 gifts on a budget of \$30 total. I know we can get creative with making gifts, finding great bargains, using coupons and even re-gift some new items of our own. Be aware, if you over spend – you may still only receive gifts within the budget but to make it fair, do not under spend.
3. (Third) Bring your gifts to our scrapping weekend. Secretly gift your scrapper throughout the weekend starting with Friday and going throughout Saturday. Try to give something before 9pm Friday so I know everyone has been included. I can help deliver gifts to keep the surprise going or ask someone to throw your receiver off. Make it fun. Your final REVEAL gift (or card or face-to-face) will be on SUNDAY MORNING.

GENERAL: Make it fun to give and receive. Try to keep your identity a secret. Plan your reveal before 10am Sunday. If you will be leaving before that time, please let me know so Plan B can be developed. If you need clarification on the answers – just let me know, I can find out for you. Gifts can be wrapped or not – your choice. For maximum fun, everyone should participate (if I can help in anyway, just let me know). This has been a lot of fun over the years.

Questions: Please fill out every section with careful thought, so your secret scrapper will know what you like to get and what to avoid getting you. Return to Lisa Fritts via email lfwhim@comcast.net (or messenger or mail) BEFORE the deadline. If you need this sent differently, just let me know.
